DR. SALUSTIANO T. JIMENEZ
 Schools Division Superintendent
 Division of Negros Oriental, DepEd Region VII
 Dumaguete City, Negros Oriental

Dear Dr. Jimenez:

This is in relation to our previous request dated January 2014 to DepEd Regional Office 7 requesting the inventory of the OL Trap kits delivered to the schools in the region.

The project entitled "Nationwide Dengue Vector Surveillance" has been implemented last year from June 2013 – March 2014. Deliveries of the OL Trap kits were done during the months July 2013 to March 2014.

In line with this, we would like to request for a validation of the kits received by the different schools in your division. Attached is a proof of delivery from Heritage Veterinary Corporation, the supplier of the OL Trap kits. Listed is the number of kits and pellets received by the schools that needs validation. May we request that data be provided for the actual number of kits and pellets received during the above mentioned dates? These data would be needed for the national inventory of all the delivered OL Trap kits.

For submission of data, you may fax it through (032) 418-9032 or email at r07dengueoltrap@yahoo.com. We would appreciate if you could send us the data on or before September 30, 2014.

Should you have any queries, please contact Ms. Ronya Mae L. Bayan at (032) 418-9032 or Mr. Elezer J. Serra, at (032) 414-7477.

We are looking forward to your prompt and positive response on this request.

Thank you very much.

Sincerely,

EDILBERTO L. PARADELA
 Regional Director
