Dear Dr. Jimenez,

Greetings from Feed the Children!

Feed the Children is a non-profit, non-government organization working in the Philippines since 1984. We implement a Child-Focused Community Development Program in the different parts of the country either through a community or a school. Among our many partner schools is Libertad Ong Calderon Memorial School and Cantalawan Primary School in Sibulan District, and Luyang Elementary School in Mabinay District IV. Our goal in partnering with the schools is to support them in providing a free and quality basic education for all children.

As the new school year is about to start, we are also renewing our commitment to the partnership we have with the above schools.

In this connection, we would like to request your permission to allow the school heads listed below to attend our Consultation and Planning Workshop on May 6-7, 2015 to be held at Feed the Children Farm and Training Center located at Canapnapan, Corella, Bohol.

1. Mrs. Elvira C. Diones - Libertad Ong Calderon Memorial School
2. Ms. Anna-Liza J. Ozoa- Cantalawan Primary School, and
3. Mrs. Letecia Navales- Luyang Elementary School

The purpose of this workshop is to identify program priorities where Feed the Children can possibly support in preparation for the school year. Feed the Children will shoulder the participant's boatfare, hotel accommodation and meals during the workshop.

We look forward to your favorable response.

Thank you.

Sincerely,

ESPERANZA E. ABELLANA
Country Director
