## NATIONAL COUNCIL ON DISABILITY AFFAIRS

September 22, 2014

MR. SALUSTIANO T. JIMENEZ

Superintendent

Department of Education, Negros Oriental

Attention:

Ms. Lucrecia C. Nicolas

Principal, Mabinay SPED

Dear Mr. Jimenez:

The National Council on Disability Affairs will lead the conduct the 2<sup>nd</sup> Philippine Community-Based Rehabilitation (CBR) Congress on September 30, 2014 – October 2, 2014 at The Heritage Hotel, Roxas Boulevard corner EDSA, Pasay City. With the theme, “*CBR: The Key to Inclusive Development in the Communities*”, this event aims to promote the practice of community-based inclusive development as a comprehensive approach for inclusive development and in implementing the Convention on the Rights of Persons with Disabilities. It will also bring stakeholders together to share resources, be updated on the latest developments on disability and organize the Philippine CBR Network as a catalyst in building sustainable communities.

We are inviting Local Chief Executives, leaders of persons with disabilities’ organizations, government focal persons on disability and community based programs, rehabilitation professionals and students of allied medicine practitioners, development specialist, policy makers, program implementers and all who are interested in promoting disability inclusive development at the community level.

One of the Workshop Themes is Inclusive Education, in which we hope to highlight the challenges of inclusion of children and youth with disabilities from SPED to regular classroom. In this regard, may we request your office to send **Mr. Miel C. Paculanang** to present the current situation of Mabinay SPED Classes and its challenges. The experiences of MABINAY SPED will surely become a springboard for a fruitful discussion between community policy makers, program implementers and service providers in preparing children and youth with disabilities towards inclusive education. As NCDAA will sponsor the registration fee and accommodation of Mr. Paculanang, may we request your office to shoulder his airfare and other travel expenses.

We are counting on your commitment in making this national gathering of implementers and local policy makers of community based inclusive development a success. We hope that this congress will help them develop responsive programs for persons with disabilities and other vulnerable sectors.

We look forward in forging partnership with you to MAKE THE RIGHT REAL for persons with disabilities in your community.

Very truly yours,
